CITY OF GRAND RAPIDS LAKE MICHIGAN FILTRATION PLANT

Facility Tour

Join Hillary Caron, Water Education & Programs Coordinator, for a education-packed afternoon touring the Lake Michigan Filtration Plant. Learn about how the facility, built in 1962, collects, treats, and distributes water to the greater Grand Rapids area.

Social Gathering

Following the tour, please join us at Odd Side Ales for a social hour. Take this opportunity to get to know your fellow public works professionals. If you are unable to attend the tour but would like to join us for the social hour, we ask that you still sign up at the link below.
